Public Notice is hereby given, Public Act 98-0109 limits the annual per acre change in certified farmland EAV for each Productivity Index (PI) to 10% of the prior assessment year's value of the median cropped soil (PI 111). The Farmland Assessment Technical Advisory Board has adjusted the certified value for PI 111 by 10%.

Questions about these valuations should be directed to:

Denise Shores, CCAO

Property in the county, other than farmland and coal, is to be assessed at 33.33% median level of assessment, based on the fair cash value of the property. You may check the accuracy of your assessment by dividing your assessment by the median level of assessment. The resulting value should equal the estimated fair cash value of your property. If the resulting value is greater than the estimated fair cash value, you may be over-assessed. If the resulting value is less than the fair cash value of your property, you may be under-assessed. You may appeal your assessments to the Board of Review.

If you believe your property's fair cash value is incorrect or that the equalized assessed valuation is not uniform with other comparable properties in the same neighborhood, the following steps should be taken:

1. Contact your township assessor's office to review the assessment.
2. If not satisfied with the assessor review, tax payers may file a complaint with the Coles County Board of Review. For complaint forms, instructions and the Rules and Procedures of the Board of Review, call (217) 348-0508 or visit <http://www.co.coles.il.us/sofa/board.htm> for more information.
3. The final filing deadline for the county is generally 30 days from this publication date. After this date, the Board of Review is prohibited by law from accepting assessment complaints for properties in the county. For more information on complaint deadlines, call (217) 348-0508 or visit [www.co.coles.il.us/sofa](http://www.co.coles.il.us/sofa).

**Your property may be eligible for homestead exemptions, which can reduce your property's taxable assessment. For more information on homestead exemptions, call (217) 348-0508 or visit [www.co.coles.il.us/sofa](http://www.co.coles.il.us/sofa).**

Your property tax bill will be calculated as follows:

$$\begin{aligned} & \textit{Final Equalized Assessed Value} - \textit{Exemptions} = \\ & \textit{Taxable Assessment}; \textit{Taxable Assessment} \times \textit{Current} \\ & \textit{Tax Rate} = \textit{Total Tax Bill}. \end{aligned}$$

All equalized assessed valuations are subject to further equalization and revision by the Coles County Board of Review as well as equalization by the Illinois Department of Revenue. A complete list of assessments for this county for the current assessment year, except for those assessments that were changed solely by equalization as noted above, is as follows:
