ARTICLE VI

Defaults, Remedies and Indemnifications

6.1 Material failure or delay by either the City or the Developer to timely perform any term or provision of this Agreement or their respective parts to be performed shall constitute an "event of default" under this Agreement. The Party who is charged with such nonperformance shall, upon receipt of written notice of the existence of such event of default, immediately commence to cure, correct or remedy such event of default and thereafter proceed with diligence to cure such event of default. The Party claiming such event of default shall give written notice of the claimed event of default to the other Party, specifying the event of default complained of. Except as required to protect against immediate irreparable harm, the Party asserting an event of default may not institute proceedings against the other Party until seven (7) days if the default is failure to pay Developer pursuant to Article III or thirty (30) days in case of any other default after having given such notice. If such event of default is cured within such seven (7) or thirty (30) day period, as the case may be, the event of default shall not be deemed to constitute a "default" under this Agreement. If the event of default is one which cannot reasonably be cured within a thirty (30) day period, upon request and with appropriate showings, and agreement by the other Party to the time of the extension, the cure period shall be extended for such time as is reasonably necessary for the curing of same, so long as there is diligent proceeding to cure such event of default. If such event of default is cured within such extended period the event shall not be deemed to constitute a default under this Agreement. However, an event of default not cured as provided

above shall constitute a default under this Agreement. Except as otherwise expressly provided in this Agreement, any failure or delay by either party in asserting any of its rights or remedies as to any event of default or default shall not operate as a waiver of any such event of default or default of any rights or remedies it may have as a result of such event of default or default. The sole remedy of the Developer in the event of a default by the City under any of the terms and provisions of this Agreement shall be to institute legal action against the City for specific performance or other appropriate equitable relief. Under no circumstances shall the City be subject to any monetary liability or be liable for damages (compensatory or punitive) under the provisions, terms and conditions of this Agreement except to the extent of any failure to make deposits in or distributions from Developers Subaccount. In the event of a default by the Developer, the obligation of the City to provide Incremental Property Taxes from the Site to the Developer's Subaccount, and pay for any Redevelopment Project Cost, shall cease, and City shall not subsequently be obligated to make any such provisions or payments to Developer. Except as to the foregoing, the parties shall have all remedies with respect to this Agreement available under applicable law. Notwithstanding anything herein to the contrary, the City shall be liable for no amount hereunder in excess of Incremental Property Taxes which have been or should be duly deposited into the Developer's Subaccount.

- 6.2 Neither the City nor the Developer nor any successor in interest shall be considered in breach or default of their respective obligations under this Agreement, and times for performance of obligations hereunder shall be extended, in the event of any delay caused by force majeure, including, without limitation, damage or destruction by fire or casualty; condemnation; strike; lockout; civil disorder; war; domestic or international terrorism; restrictive government regulations; issuance of any permits and/or legal authorization by the governmental entity necessary for the Developer to proceed with the Redevelopment Agreement or any portion hereof; shortage or delay in shipment of material or fuel; inability to secure labor or materials within established budget limitations, including contingencies; acts of God; unusually adverse weather conditions; or other like causes beyond the Parties' reasonable

control including but not limited to, any litigation, court order or judgment resulting from any litigation affecting the validity of the Redevelopment Plan, the Redevelopment Project, the Redevelopment Project Area, the Private Development, or this Agreement.

- 6.3 Notwithstanding anything herein to the contrary, the City, its Corporate Authorities, officials, agents, employees and independent contractors shall not be liable to the Developer for damages of any kind or nature whatsoever or otherwise in the event that all or any part of the Act, or any Ordinance of the City adopted or not adopted in connection with the Act or this Agreement or the Redevelopment Plan, shall be declared invalid or unconstitutional in whole or in part by the final (as to which all rights of appeal have expired or have been exhausted) judgment of any court of competent jurisdiction, and by reason thereof either the City is prevented from performing any of the covenants and agreements herein or the Developer is prevented from enjoying the rights and privileges hereof; provided that nothing in this paragraph shall limit claims by Developer against the Developer's Subaccount or actions by the Developer seeking specific performance.
- 6.4 The Developer releases from and covenants and agrees that the City and its Corporate Authorities, officials, agents, employees and independent contractors shall not be liable for, and agrees to indemnify and hold harmless the City and its Corporate Authorities, officials, agents, employees and independent contractors against, any lawsuits or loss or damage to property or injury to or death of any person arising out of or in connection with this Agreement or the implementation of the Project and the Private Development, whether or not such is filed or other proceedings instituted, except as such may be caused by the intentional conduct of the City, its Corporate Authorities, officials, agents, employees, or independent contractors.
- 6.5 The City and its Corporate Authorities, officials, agents, employees and independent contractors shall not be liable for any lawsuits or other proceedings or damage or injury to the persons or property of the Developer or its officers, agents,

independent contractors or employees or any other person who may be about the Private Development or any work by the Developer due to any act of negligence of any person, except as such may be caused by the intentional misconduct, of the City, its Corporate Authorities, officials, agents, employees, or independent contractors that are contrary to the provisions of this Agreement.

- 6.6 All covenants, stipulations, promises, agreements and obligations of the City contained herein shall be deemed to be covenants, stipulations, promises, agreements, and obligations of the City and not of any governing body, officials, agents, employees or independent contractors in their individual capacities.
- 6.7 To the extent permitted by law, the Developer agrees to indemnify, defend, and hold harmless the City, its Corporate Authorities, officials, agents, employees and independent contractors, from and against any and all claims, demands, costs, liabilities, damages or expenses, including attorneys' and consultants' fees, investigation and laboratory fees, court costs and litigation expenses, arising from (i) any release or threat of a release, actual or alleged, of any hazardous substances, upon or about the Private Development or respecting any products or materials hereafter located upon, delivered to or in transit to or from the Private Development unless such release or threat of release occurs as a result of any act, omission, negligence or misconduct of the City; (ii) (A) any violation (actual or alleged) of, or any other liability under or in connection with, any environmental laws relating to or affecting the Private Development, or (B) any hereafter arising violation, actual or alleged, or any other liability, under or in connection with, any environmental laws relating to any products or materials previously, now or hereafter located upon, delivered to or in transit to or from the Project, unless such violation or alleged violation or other liability occurs or arises, as the result of any act, omission, negligence or misconduct of the City; (iii) any assertion by any third party of any claims or demands for any loss or injury arising out of, relating to or in connection with any hazardous substances on or about or allegedly on or about the Private Development after the date hereof and implementation of the Redevelopment Plan; or (iv) any breach, falsity or failure of any of the

representations, warranties, covenants and agreements concerning any hazardous substances. For purposes of this paragraph "hazardous substances" includes, without limit, any flammable explosives, radioactive materials, hazardous materials, hazardous wastes, hazardous or toxic substances, or related materials defined in the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended (42 U.S.C. §§9601 et seq.), the Hazardous Materials Transportation Act, as amended (49 U.S.C. §§1801 et seq.), the Resource Conservation and Recovery Act, as amended (42 U.S.C. §§9601 et seq.) and in the regulations adopted and publications promulgated pursuant thereto, any other federal, state or local environmental law, ordinance, rule, or regulation. Notwithstanding anything to the contrary in this Article 6, Developer shall have no liability to indemnify the City with respect to conditions first arising or occurring after Developer ceases to own any interest in or have any right to possession of the site; provided, however that this limitation shall not diminish or otherwise effect (i) Developer's liability for events occurring or conditions arising prior to such transfer or (ii) the liability of any transferee of Developer.

No recovery of any kind against Company or its agents for breach of this Agreement shall be greater in amount than the cost of services rendered hereunder and/or material provided.

4. CUTOVER

6. SECURITY INTEREST

Customer grants to Gibson Teldata, Inc. a security interest in the Equipment and any proceeds thereof to secure payment of the Purchase Price and satisfaction of all obligations of Customer to Gibson Teldata, Inc. under the terms of this Agreement. Customer agrees to execute such documents as Gibson Teldata, Inc. may reasonably require perfecting its interests in the Equipment. The parties acknowledge their intention that the aforesaid security interest shall attach when Customer obtains rights in the Equipment. Customer further grants to Gibson Teldata, Inc. in the future ("the Future Property") and any proceeds thereof as security for the due payment in full to Gibson Teldata, Inc. for such property.

In the event the remedies provided fail of their essential purpose Gibson Teldata, Inc. shall have the right but not the obligation to refund the money paid for the particular item of Equipment less a reasonable amount for its use. This Warranty shall not cover adds, moves or changes requested by customer nor will it cover programming changes requested after expiration of thirty (30) days from Cutover. Gibson Teldata, Inc.'s liability for loss or damages shall not exceed the price paid for the particular item of equipment regardless of the form of any claim. Gibson Teldata, Inc. shall have no liability resulting from use of the equipment in conjunction with life-support devices.

8. FORCE MAJEURE, CUSTOMER CHANGES AND DELAYS.

The Cutover Date and any other performance by Gibson Teldata, Inc. hereunder shall be subject to delays caused by an Act of God, war, riot, fire, explosion, accident, flood, sabotage, inability to obtain fuel or power, governmental laws, regulations or orders, acts or inaction of the Customer, or any other cause beyond the reasonable control of Gibson Teldata, Inc. or labor trouble, strike, lockout or injunction (whether or not such labor event is within the reasonable control of Gibson Teldata, Inc.). In the event of any delay, the date(s) set forth herein and the times for performance will be extended accordingly for delay. Changes to the Equipment before Cutover requested by Customer, if received and accepted by Gibson Teldata, Inc. sufficiently in advance, will be implemented by Gibson Teldata, Inc.'s best efforts; however, delay in Cutover may result and Customer agrees to pay any resulting added charges by Cutover.
