

# Next Move Illinois

2026 Public Transportation Plan

## Take the Survey on Illinois Public Transportation!

Public transportation is an essential way for people to travel throughout the state of Illinois. Next Move Illinois is a successor to the 2018 Illinois Statewide Public Transportation Plan.

Tell us about your current experience with public transportation and how you feel about public transportation needs, concerns, and priorities by completing our survey.

The goals of this plan are to:

Set a strategic vision

Recommend policy & performance updates

Identify specific strategies to improve public transportation outcomes within Illinois
